

Listed below is a description and dimensions of our mobile kitchen. If you have any questions or concerns, please feel free to contact us at (717) 808-8090.

2006 PACE AMERICAN MIDWAY MOBILE KITCHEN- 29 feet long including tongue and grill (we usually like to reserve 35 feet to operate grill). 8.5 feet wide 10 feet with marquis sign up. We serve from the passenger side windows. The kitchen is 12 feet high.

We have two electrical panels in the trailer one(1) 30 amp and one(1) 20 amp. To tie into existing electric we need two (2) 50 amp connections. We are able to supply power ourselves by using our two (2) 6500 watt **whisper quite Honda generators.**

Items that require electricity are: Refrigerator, Freezer, Fluorescent lights, 6 gal hot water heater, water pump, Hood vent exhaust system, and Food warmers. All equipment is NSF certified and new (within 4 years.)

We use LP gas, charcoal and wood for our grill. Deep fryers, flat top and range utilize LP gas. We Have our state Dept. Of Ag. License, are Serve-safe qualified, and have our PA state tax license.

**If we require a food license from your particular county or city, please let us know and we will obtain one if we have not already done so.**

We hope that this information is helpful. If you have any other questions or concerns please feel free to contact us at (717) 808-8090.
